It has been determined that the above product lots contain low levels of impurities. This was discovered through an investigation into an odor complaint of one of the impacted product lots. In an abundance of caution, Ecolab is recalling

the above lots.

Please immediately examine your inventory and promptly quarantine the lots listed in this letter. The lot number can be found on the bottle or on the case. Ecolab requests that all product from the affected lots be returned to Ecolab per the below instructions.

Please complete the attached [Ecolab Response Form](#) and e-mail or fax it to Ecolab Customer Service, **whether you have affected product in your possession or not**. It is important that we receive your completed [Ecolab Response Form](#) by **March 1st, 2019**. Ecolab will contact you to arrange pick-up and credit if applicable.
